

SHOW YOUR SUPPORT FOR PUBLIC EDUCATION IN WORCESTER

Rally Thursday, June 1 & 15
3:30 p.m. @ Worcester City Hall

We need as *many voices as possible* from the entire community to tell the Worcester School Committee:

***It is time to settle a fair contract
with EAW educators.***

Members of the Educational Association of Worcester are dedicated to their students and deserve the support and respect of the school committee.

Members of the EAW will be outside of Worcester City Hall at 3:30 p.m. on both dates. Signs will be available or feel free to create a message of your own.
