

EAW ALL IN Grant Planning Sheet

EAW has received approval for over \$25,000 of grant reimbursement for member-driven actions in our union. These funds can be used for activities that increase member-to-member contact, support work around issues in our buildings, improve relationships with community members, and more. You can apply for **\$10/member** (eg \$540 for a 54-member school plan).

Either fill out this form and return it to the office **OR** complete the online application at tinyurl.com/eawallin . A staff member and board member will make sure your plan fits the grant requirements and reach out to you. Then you will have to run your plan, save your receipts, and turn them in to the EAW for reimbursement. *(If fronting the money will not be possible for you, apply anyway, and we will work out a solution)*
